Attention: Tobacco Enforcement

Complete this report for any quarter during which you affixed stamps or otherwise paid Idaho tax on cigarettes, including roll-your-own (RYO). The term "cigarette" is defined in Idaho Code § 39-7802(d) to include RYO, with .09 ounces RYO equaling an individual cigarette. All unstamped cigarettes sold in Idaho must also be listed on this report by Brand Family as well as the manufacturer of each Brand Family.

Part 1 consists of Non-Participating Manufacturer (NPM) information. **Unstamped NPM product numbers must be reported on this form**. Regarding stamped NPM product, if a monthly Form CG 1501-NP or Form TB1301-NP was filed with the Idaho Tax Commission (ISTC), it is only necessary to fill in the NPM name and Brand Family that was stamped or for which Idaho tax was otherwise paid. In this instance, please put a check mark in the third column. (Copies of Forms CG 1501-NP or TB1301-NP do not need to be attached to this report.)

Part 2 consists of Participating Manufacturer (PM) information. List **every** PM and Brand Family for whom cigarettes, including RYO, were sold, (**stamped and unstamped**). Provide totals for each category by manufacturer. Attach additional pages as necessary. Please note: for all unstamped cigarettes or RYO for which Idaho tax otherwise has not been paid **you must also identify the supplier of that product**.
